Subject:	Re: Postal Service file
Body:	I do not have a file like that. I looked through Tammi's file drawer & found two folders that are labeled "Postal" (which I will give to Joe), but neither of those seem to have the records that you describe.To:allcc: From:Phil Golrick/ARRB Date:12/05/96 10:07:39 AMSubject:Postal Service filePlease take a moment to check your work area to see whether you have a file that should be labeled 4.9.2.8, containing copies of Postal Service records transmittal forms from the Federal Records Center in Suitland, Maryland.
