Subject: Re: Weekend plans

Carolyn---Sorry I did not get back to you yesterday. Actually, I had called in sick yesterday so I was not in the office. I have a cold that I'm trying to get rid of. I probably will not go to Dancer's tonight since Joel and I talked about going out to dinner--and you are right, Joel seems even less enthused about going out dancing. With my cold, I actually prefer to do something low key tonight so going out to dinner will be fine. Unless I have a major physical relapse, I hope to be at Glen Echo on Saturday, however. So I should see you Saturday. Say hello to Eric for me and I hope to see him Saturday. I hope everything else is going well. Talk to you later.--

How are things going? Do you plan on going to Dancer's on Friday night? How about Glen Echo on Saturday? I plan on going to both. Eric is supposed to be back here on Friday, and I'm sure he'd like to see you. I talked to Joel, and he said that you guys might be going out on Friday though. Joel doesn't seem to be in any kind of a mood to go out dancing. This job thing really has him worried. But I guess I would be worried too. Let me know what you are doing. Carolyn
