Ask David what he wants to have done. The Board has seen Phil's draft reply.

Subject: Paul Lee
Paul Lee, a freelance writer, recently wrote with several requests, one of them being any update we can provide about the Board's consideration of his "Recommendations for the Release of FBI Source Symbol Numbers." According to my file, his recommendations were forwarded to you in September 1996. Is there anything in particular I can tell him?
Thank you.
