**Subject:** Re: MCC records

This all seems fine to me in substance. What cost issues are there in paragraph 3? To: David Marwell/ARRB, Jeremy Gunn/ARRB, Phil Golrick/ARRBcc: From: Laura Denk/ARRB Date: 12/20/96 10:27:50  
 AM Subject: MCC records I called the MCC today and spoke with Tony Radosti about wrapping up our work with the MCC. We discussed three different groups of MCC files. (1) 3 boxes of Guy Banister files already in our possession I reminded Tony that Warren DeBrueys has expressed concern about releasing New Orleans Police Department "internal affairs" files. I also reminded Tony of Phil's letter to Rafael Goyeneche that stated that we would not release the "internal affairs" records without the consent of the MCC. I told him that we need the MCC to decide how they want us to handle these records. Do they want to protect the records for 10 years? Protect until 2017? Remove the files entirely from the MCC donation? According to Tony, the MCC would not object to release of the N.O.P.D. files because the files did not originate at the MCC, but he knows that Warren is worried about liability. He will talk to Warren again about it. I am reviewing the three boxes of Guy Banister files so that we will know exactly which files are internal affairs files. (2) All other (non-Guy Banister) files already in our possession We do not anticipate that the MCC will want to redact any information from this group of records. We did, however, promise Warren an opportunity to review the records before we make them available to the public at NARA. I asked Tony to come up with a date when Warren and the MCC will have completed any review they intend to do. On or after that date, we will deliver the records to NARA, presumably without any restrictions. (3) Organized Crime Records in the MCC Offices With regard to the organized crime records that are in the offices at the MCC (including the Marcello file), Tony said that he had decided that the MCC would allow an outside copy company to do the copying. I suggested that we continue to use CBD DocuSource and he said that would be fine. If David and Jeremy agree, I will contact Kay Sloan at CBD DocuSource and arrange for her employees to pick up the files from the MCC and copy the records for us on archival bond that we/NARA will provide. Tony promised to talk to Warren about all of these topics in the next week or two. I told him that I would call him back either at the end of the week of Dec. 30 - Jan. 3 or at the beginning of the week of Jan. 6-10, to find out what they want to do about the Banister files and to figure out a time line for finishing our work.
