Subject: Re: Today Show

Jack will be in Washington on Friday morning. He could do the remote from the North Capitol Street studio. Has Jack been notified? To: David Marwell/ARRBcc: Jeremy Gunn/ARRBFrom: Thom Wilborn/ARRBDate: 12/24/96 08:31:30 AMSubject: Re: Today ShowThe Today Show inquiry came before they had seen the documents. The time frame we discussed was Friday morning, Dec. 27, between 7 a.m. and 9 a.m. At this point, the Today Show is still considering an appearance. I will talk to Keith Blackman, a producer, later today to determine their intent. Was any time frame mentioned? We will need to do a thorough briefing paper with talking points for Jack if this goes forward. To: David Marwell/ARRBcc: Thom Wilborn/ARRB From: Jeremy Gunn/ARRBDate: 12/23/96 03:00:56 PMSubject: Today ShowThe Today Show has expressed a possible interest in doing a piece on the FBI releases and that they may want to interview someone. I suggested that Thom call Jack and let him know that he may wish to be on standby.
