Subject: Re: BRILAB

Thom:I received your e-mail & I talked to Jeremy about what we would be allowed to report about BriLab in the annual report. He told me he would talk to you about it, so I hope he has done that. He suggested that we write the following in the annual report: "The Review Board is pursuing leads relating to the BriLab investigation."To: Laura Denk/ARRBcc: From: Thom Wilborn/ARRB Date: 01/07/97 10:23:54

AMSubject: BRILABI am currently preparing a draft of the ARRB Annual Report and need information concerning BRILAB. I understand that this was a series of audio tapes, but I am unsure of the subject, source, content and disposition. I would appreciate it if you could write something out for me to add to the Annual Report. David would like to have the Annual Report ready for presentation to the Board by mid-January. Thank you.Thom
