Subject: Re: ARRB Called Richard Burkley

Although you should not raise this issue specifically in your discussions, please keep in mind that we may wish one of Burkley's heirs to help us get a waiver of the attorney-client privilege so that the law firm that handled Burkley's work will search its records. In speaking with the children, you should try to get an idea as to who is the executor of the estate and who the appropriate person is to whom we should ask the question.
