**Subject:** Early Reports of the Autopsy  
David,I have another question for you. What press reports are you aware of, prior to December 18, 1963, that make reference to an autopsy of JFK? I am interested in knowing of any that confirmed, denied, or reported on the autopsy. Have you -- or do you know of anyone who has -- systematically attempted to compile autopsy and medical references from sources such as the New York Times, Washington Post, St. Louis Post-Despatch, LIFE, Time, etc. Please let me know.FYI--we are attempting to pursue the U-2 manual question, so far without success.I hope all is going well. Best, Jeremy
