No, there is nothing additional for you beyond what we previously discussed. Try and set any time that you can in Austin. Get a date from her, and we will confirm with Steve Tilley. Thanks. To: Jeremy Gunn/ARRBcc: [redacted]

I was informed by my CIA Team colleagues that I missed a meeting with you this morning regarding the Russ Holmes action items. They filled me in on the major points and a couple of assignments for Bob and Michelle. I just wanted to make sure there wasn't anything specific intended for me that resulted from the meeting that I'm not aware of. Regarding scheduling the LBJ Library trip: Do you have any upcoming travel plans for late Feb-early March that would conflict with going during that timeframe? I thought I would call Tina next week to make sure we haven't dropped off her radar screen and try to get some travel dates lined up. Also, thanks for the update on the SCI front.
