See inserts.To:David Marwell/ARRB, Jeremy Gunn/ARRBcc:Eileen Sullivan/ARRB From:Thom Wilborn/ARRB Date:01/17/97 05:18:53 PMSubject:Mather requestsI received a call late 1/17/96 from Mr. Mather of Cambridge, MA requests written responses from ARRB regarding three areas.He requested:(1) the status of a response to Marina Oswald Porter's public statement and letter of April 19, 1996 requesting the board provide certain itemized documents. He said that Tom Samoluk initially responded to her letter, but that the response was inadequate.We are pursuing many of the issues raised in her request. We have also asked her to sign a waiver for IRS returns. We sent her two copies of a waiver and spoke to her on the phone. (2) a written explanation of the current status of the ARRB's "promise" that it would release transcripts of all depositions taken during 1996 by the end of the year.The Review Board did not promise to make the transcripts available. The Review Board hoped to be able to release the records by the end of the year. We are currently pursuing some new leads and we do not want to prejudice our chances by an untimely release. The inquiry into medical records is ongoing. As soon as the inquiry is over, all of the records will be released in full and will be available to the public at the Archives.(3) transcripts from any public hearings or open Board meetings subsequent to Aug. 6, 1996.This is your baby.I informed him that I would present his request to staff officials. He said that his address is P.O. Box 391138, Cambridge, MA 02139-0012.Mr. Mather also suggested that I mention to Jeremy that Jim Lesar has offered to mediate the release of the Oswald tax records. We would be happy to have Ms. Porter sign a release. If Jim Lesar can get her to do so, we would appreciate it.Respectfully,Thom Wilborn
