**Subject:** Re: MCC section for annual report  
I suggest deleting the reference to Banister and mentioning that many of these records were reviewed by HSCA staffers in their investigation of the assassination of President Kennedy.

**DeliveryReport:** Review Board staff members travelled to New Orleans to review the records of the Metropolitan Crime Commission of New Orleans (the "MCC"). For years, the MCC has maintained files on crime and public corruption in New Orleans. Review Board staff members established a strong working relationship with the MCC and arranged to obtain many MCC records for the JFK Collection. Among the MCC records the Review Board reviewed and marked for inclusion in the JFK Collection are: records on District Attorney Garrison's investigation and prosecution of Clay Shaw; files previously owned by Guy Banister; and records regarding New Orleans organized crime figures.
