Subject: Re: VA records

I talked to Ms. Arrington this morning. She disavows any further knowledge (she told me she had not contacted the USSS, though she sounded sufficiently nonplussed by my phone call that it could just be that she can't remember what I was talking about -- she sounded like she couldn't remember talking to me or receiving voice mail messages either). Arrington says the matter has been taken over by the following persons in the VA General Counsel's office: Mr. Dodson (202-273-8645) or Mr. Conway (202-273-8660). I'd like to get out of this loop, as I'm not really able to answer additional questions from these people about whom they're supposed to be dealing with in USSS and what the USSS records are, etc. I suggest you take it from here with
