Body:	Correct. Let's discuss.To:Jeremy Gunn/ARRBcc:Brian Rosen/ARRB From:Dave Montague/ARRB Date:01/27/97 01:08:40 PMSubject:Evelyn Lincoln letters...I know it has been a while, but I thought we discussed letters to Frank McGuire & Stephen Blakeslee...My understanding is that I would not send something to them because we agreed it should go under your signature (like the Bonito letter)...I want to make sure that if I was supposed to send something, I do just that...
