Subject: More re: Shepherd's Cove Family Shelter of P.G. County...

Thanks, but all I do is help out from time to time (usually speaking on criminology during their annual Symposium)...This year, I might do a workshop on crime threats& today's women (specifically college women) for their debutantes..This year's theme is: "Physical + Social + Mental + Spiritual Health = The Strength To Carry On"...The shelter needs stuff like: soap, toothpaste/toothbrushes, deodorant, combs, etc... :-)

What will you talk about when you go?I'm interested in contributing, helping, etc. . . Did they give you a list of stuff they need?To: ALLcc: From: Dave Montague/ARRBDate: 02/07/97 11:25:23 AMSubject: Shepard's Cove Family Shelter of P.G. County...The shelter assists battered/abused women & children of Prince George's County, Maryland & The Links, Inc. (a national public service organization), sponsors a family there. I'll be participating in a career forum/symposium on 02.22.1997 sponsored by The Links, for which they are asking for toiletry donations for the shelter. I will be more than happy to carry any donations when I attend...If anyone is interested in contributing, please ask me any questions...
