 the idea was to just touch base with Maheu and make friends with him in case we found Morgan's papers and  
 needed Maheu's okay to look at them. I don't really have an opinion as to who should make a follow up  
 call.To: Kevin Tiernan/ARRBcc: From: Dave Montague/ARRB Date: 02/10/97 09:57:13 AMSubject: Re:  
 Confirmation re: Robert MaheuI don't recall our asking about Morgan, do you???...My opinion is that Maheu  
 is not going to provide any additional information & that if another call is to be made, we should do it again  
 (because of familiarity)...What is your opinion???To: Dave Montague/ARRBcc: Kevin Tiernan/ARRB, Manuel

 MaheuDid you discuss with him any questions about Morgan, including whether he gave any records to  
 Morgan or whether Morgan represented anyone else involved in this matter? If not, I would like us to call him  
 back. Do you anticipate he will be cooperative? Should I call, or should one of you? Please let me  
 know.To: Jeremy Gunn/ARRBcc: Kevin Tiernan/ARRB, Manuel Legaspi/ARRB From: Dave Montague/ARRB

\_\_\_\_\_ We spoke w/a "Maheu" recently who confirmed he's the same Maheu involved in  
 the plot to assassinate Castro during the early 1960s & was an intelligence officer at one point. Maheu  
 described himself as a "problem solver" & asked for background information about us before consenting to  
 any further questions. We explained the nature of the Review Board & asked Maheu what he recalls re: the  
 Castro issue or anything JFK related. Maheu made the following statements:-nothing was preventing him  
 from speaking or disclosing any info; he has felt this way since the Church Committee-besides his previous  
 testimony, he doesn't recall any other records-he was "...in the business of solving problems...not a private  
 investigator..."-he's had his firm named "Robert A. Maheu Associates" since 1954-there is nothing he can add  
 to his Church Committee & HSCA testimoniesWe related our interest in any other people who might have  
 knowledge of such possible records, to which Maheu said "...I don't know of anyone else...take the 2 reports  
 (Church & HSCA) & that is it...". We told Maheu we'd send some explanatory info to him just in case he does
