Subject: Re: Annual Report

I guess the verb tense was a function of when I wrote that. Our deadline was early September. According to the letters we have received from the Secret Service, the documents are at NARA.To:Joan Zimmerman/ARRBcc:From:Thom Wilborn/ARRB Date:02/12/97 10:46:30 AMSubject:Annual ReportThe Annual Report now says that "Most of these 1,500 pages will be available at the JFK Collection by October 1996." The sentence refers to the USSS having forwarded material from Chief Rowley's files, letters from the public, and protective information (including trip reports, administrative files, and Warren Commission memoranda) from the 1963-1964 period. The question is: are they at NARA now? Thanks for your help.
