Tracy:Please start to put together a FY98 budget. Close out costs should be what we calculated for this year. Travel and equipment should be reduced. We need to keep at 1.6 million additional appropriation. Feel free to attach it to an email and send it to me.

office called this morning and wanted to know if we have sent up a 98 budget. I called Tom and gave him the message. He is going to call Michelle Merdeza first and then return the call and explain to them what was going on. Tom was going to call Jack first about this and let him know. He said he will keep us posted.
