Subject: Re: Followup to my previous contacts

Paul --I just received your e-mail message. By coincidence, a FedEx package for you is on my desk at this very minute. We are in the process of revising the two memos I mentioned to you, and we are planning to ship them to you today. I hope that our Second Report will be issued next week. The Board members are now reviewing the draft, and as soon as they sign off it will be released. We will be in touch. Best, Jeremy. I have been hoping to hear from you pursuant to that conversation. I don't want to push, but I just want to make sure that you have not sent something which has been lost in the mail. Among other things, I am looking forward to seeing your second annual report, and to providing any additional information you want in connection with my letters relating to the DRE and to the Odio story. Regards, Paul
