From: Michelle Combs/ARRB Date: 02/21/97 02:49:19 PMSubject: Viewing of the Kennedy ArtifactsI spoke with Steve Tilley at NARA many weeks ago about a second viewing of the artifacts for the new people in the office. He agreed to arrange a day as soon as we had six-eight people who were interested. David has given his ok to our arranging a trip to NARA. I am thinking about some time after the March 13-14 Board meeting or sometime the beginning of April. Before I talk to Steve Tilley, please let me know 1) if you are interested in going, and 2) if there are any particularly bad days/weeks for you. Thanks
