Subject: Re: The upcoming dance...
I did not participate in last year's pool. I think I know how it works: you pick the teams for the entire tournament all at one time from a grid? I don't know much about it, but sometimes it doesn't mean anything when you do. So I'll give it a shot.

Subject: The upcoming dance...It's still about three weeks off, but all the muses about the NCAA have my blood pumped for March Madness. Time to start planning for the pool. Who wants in? Same rules as last year; for those of you who weren't here for last year, I will be glad to explain the rules to you before the pool if you wish. Let me know. Also, any more legitimate intern projects? Thank you.
