| **Subject:** | Re: Status of Forensics Project |
| **Body:** | I have not had a chance to look at it in last two to three weeks, with the exception of my two hour trip to Jim Lesar's office and some other minor research, given the push on the military documents, FBI documents with military equities, and the military RIF rewrite project for some three hundred documents. Hopefully, I will be able to get back to it at the beginning of next week. |
