Subject: Gasp. . .
From my running club contact hiatus, I am coming up for air to send you an e-mail. Actually, I'm doing fine -- just practising my extended introversion technique :-) I'm glad you had fun in Sedona -- was the weather nice and dry and conducive for running?I don't know about lunchtime runs just yet. Tomorrow probably won't work -- but possibly a shorter run on Friday -- can I leave the door open until Friday a.m.? Do we have a weather forecast yet? Did I hear 70s for tomorrow?How is everything going with you?
