Subject: Re: JFK

Dear Mr. Bailey: Thank you for your e-mail message. I will answer your questions in the order in which you posed them. 1. The current status of the Board, i.e. an extension, is up to the Congress to decide. 2. I cannot speak for the children of Lee Harvey Oswald, however, if you are interested, I can forward to you a copy of an article about June Oswald that appeared in the April 30, 1995 New York Times Magazine. 3. There is a consistent flow of new document releases, thus new information, about the Kennedy assassination. If you are interested, I can place your address (regular or e-mail) on our mailing list. That way, you will be kept apprised of all new releases. 4. I believe you are referring to the "three tramps." The police officers names were released, I believe in 1992, by the Dallas Police Department. I do not know if any author/researcher/investigator has ever interviewed them. I hope I have answered your questions. Please let me know if you would like to be placed on our mailing list. Sincerely, Eileen A. Sullivan Assistant Press and Public Affairs Officer

Dear Ms. Sullivan, My name is Matthew Bailey. I have read with much interest the information concerning the JFK assassination, and I was hoping you could answer a few of my questions. First, what is the current status of the assassination records review board? Will it be allowed to go past October 1, 1997? Second, why haven't the children of Lee Harvey Oswald made any public statements concerning the possibility of their father's involvement in the assassination? Third, do you have any new information on the assassination? Fourth, where the police officers in the photos of the homeless people ever interviewed as to the identities of the people in the photos? Sincerely, Matthew Bailey-----
