Subject:	Re: Hunt/QKEnchant
Body:	I think it would be a good idea for you to call Lesar and ask him what documents he has linking Hunt to QKENCHANT. Let's see what he can produce. When you call, ask him if he has had any luck finding Tink Thompson's interview with Boswell.Thanks.To:Jeremy Gunn/ARRBcc: From:Manuel Legaspi/ARRB Date:03/03/97 04:24:10 PMSubject:Hunt/QKEnchantI have reviewed all of the RIFs for E.Howard Hunt on the sequestered collection database. It seems to me that it is going to be very difficult to figure out which RIF would match the document which identifies Hunt as working on QKEnchant. If Lesar has already identified the document, I think that the easiest course of action woudl be to ask Lesar for the document so that we can verify that Hunt indeed worked on Enchant. Two questions:1) Would it be OK to call Lesar re: this issue?2) If Lesar is able to produce the document, how do we want to tell Barry that this has become a priority item with us?Thanks.
