**Subject:** Re: Press Releases  
Thom:1. I'll e-mail the list I sketched out, probably tomorrow morning. 2. I would check with David on the Annual Report press release. I suspect he will still want to hold on it until things shake out a little more on where we are on FY '98.Talk to you soon.TomTo:Tom Samoluk/ARRBcc:From:Thom Wilborn/ARRB  
Date:03/10/97 12:18:28 PMSubject:Press ReleasesI need to get the list of possible press releases from you. The Hosty release is going today and tomorrow. We also got nice coverage in the Sunday Washington Post "Outlook" section. I talked with Phil concerning the FBI appeals and learned that nothing is imminent on that and probably won't be until the issues with the State Dept. are resolved. You rewrite of the Annual Report release was very similar to my original version. That could be the release we can go with next week. Thanks for your help.Thom
