Subject: Re: IRS
Don Squires called back. He said that IRS would oppose our looking at the WC IRS records right now. He asked me to wait a couple of weeks until he sends the IRS' legal opinion (in writing) on the applicability of the regulation and on the issue of our review of their records. I said, "so you will be sending us a written legal opinion in the next couple of weeks?" and he said, yes -- he is planning to send it in the next couple of weeks.

Have you spoken to Donald Squires? Would it make sense for me to call him? I would like to know, point blank, whether he would oppose (round one) our looking at the WC IRS records.
