Subject: Re: ICC

The list of records arrived from Nina Noring yesterday. I asked Cathy to give you a copy. These are the DOS 66D501 lot (desk) files retired by Cottrell in 1966. Most (approx. 15 feet) were destroyed in 1972. The one box of top secret files I mentioned yesterday are what is left. The box of top secret files has been declassified but is in the backlog waiting to be accepted by NARA. NARA will give priority to processing these records if we request that they do so. Should we?

Yesterday I received a DOS description of ICC records. Did it come from you? Have you seen it? If you haven't seen it, please come see me.
