Body:

During the previous five workdays:I distributed the Hosty news release, which was used by AP, Fox News, Newsday (pending) and Hosty's local newspaper in Punta Gorda, FL. I have also followed up with calls to the Washington Post, Reuters, USA Today and ABC News to determine if they also ran the story. I am attempting to contact Jim Harrara with AP Broadcast to see if they have any interest in doing a five-minute story on the Review Board and its activities.I have had several telephone discussions with Hosty regarding the press release and his contacts with the media. I helped provide faxed copies of Hosty's notes to reporters requesting them.I prepared a tentative outline for either the Final Report or FY 1997 Annual report. I attended a Justice Dept. briefing on security measures.I handled nearly 30 phone calls from individuals, media and organizations requesting copies of the FY 1996 Annual Report. We have distributed more than 50 copies to requesting individuals. Many of these individuals had questions about documents or suggested areas of document research. I replied to all of them in general terms.I obtained from Tom Samoluk a list of possible future press releases compiled during a meeting last week. I am currently working with Tim Wray and Christopher Barger in obtaining information on the release of NSA cable information. This will probably be the next release, except for the Board Meeting release.I introduced myself to Gary Mack with The Sixth Floor Museum during a telephone conversation regarding the FY 1996 Annual Report. He said that his staff is working on the catalog of museum items and should have it to the Board soon. Mr. Mack requested both FY 96 and FY 96 annual reports. I will be contacting Bob Porter, the PR director, to introduce myself.
