Subject: Re: ABC/Hosty Notes

Body: Thom:For what it is worth, perhaps helpful with Time, I just faxed three references to you regarding Oswald's interrogation from the Warren Commission Report. Hopefully, the excerpts exmphasize that original, contemporaneous notes are an important addition to the JFK Collection.

Categories: Thanks for the note on Clark. I did bring out two of your points with my conversation with Mr. Clark: the contemporaneous issue and that no one knew about them until last year. Didn't make much difference to Mr. Clark. He was centered on new information in the notes. I didn't get home in time to see if World News Tonight had any kind of story. Meanwhile, Time is very much interested in the story and the Review Board. We forwarded information to a Ms. August there who asked to be added to our press list. Warm regardsThom
