Subject: Re: Corey Cooper and the Original "Veazey" Film

David says that no one on the staff or Board has had any contact Mr. Cooper in regard to the original film. Eileen says confirms there has been no staff contact. Warm regards, Thom

I previously had several positive conversations with Corey Cooper regarding what he and the rest of his family wanted to do with the original film of outtakes that his father had put together. I want to follow-up with him. Please advise me if you are aware of any contact by anyone from the Board with him or his family since my last contact, which was last fall. Thanks.
