Subject:	Re: J-Track Projects
Body:	While reviewing the list of assigned J-Track projects, I determined that I need to know the following:1) The Latona sub-project: Does this pertain to the latent palm print? If so, then we addressed that issue in December or do we want to pursue other leads regarding the palm print or is it something else entirely?2) Melanson comments in hearing re: Oswald Groups. What hearing and where do I find the comments?3) Courtwright request for Tullis records. Who are Tullis and Courtwright?4) Where do I get a copy of 4/18/95 Milam letter?5) Who is Foregger and where can I find his letter?To:R&Acc: From:Jeremy Gunn/ARRB Date:03/16/97 02:52:59 PMSubject:J-Track ProjectsPlease review all assigned tasks on J-Track and report back to me (by e-mail) on their status. Many changes and reassignments were made over the weekend. Please note that there is a view that will show projects and tasks assigned to you by name. If you have any questions about how to conduct the view, just ask.I'm looking forward to hearing about all of the progress we have been making.
