Subject: Re: J-Track Task
I have mulled over the Scott letter long and hard. I am afraid that he will see it as being non-responsive. Although I think your letter does address important issues, I am not sure that it will advance the ball with him.
Body: To: Jeremy Gunn/ARRBcc: From: Tim Wray/ARRB Date: 03/18/97 10:45:33 AM Subject: J-Track Task
I have an open J-Track task to write a wrap-up memo on the Peter Dale Scott communications. I think this task should be discharged by the long answer letter I wrote to him. What do you think?
