Subject: Re: HSCA Draft Final Report

So what are you saying? That I screwed up? Guilty as charged! Thanks for pulling this one back out of the crack through which I earlier let it slip! To: Tom Samoluk/ARRBcc: Joseph Freeman/ARRB From: Brian Rosen/ARRB Date: 03/19/97 10:25:18 AM Subject: HSCA Draft Final Report I have located the HSCA Draft Final Report. Unfortunately, there is no indication that it was ever referred to the CIA or any other agency. The report (the original document) was sitting out of the Security Classified boxes on a shelf in aisle 5-A of the SCIF. Although it was marked for CIA referral, it was not copied and delivered to the CIA in October because Cathy only copied for referral those documents that were tabbed and in one of the relevant boxes. After conferring with Bob, I referred the report to the CIA yesterday and expect it back relatively shortly. I also alerted Kevin to the situation and asked him to review the report for possible FBI equities and referral. If I can be of further assistance, please let me know.
