Subject: Re: Release of NSA Docs
I talked with Judy Emmel. She says she learned of the document release this morning. She is checking to determine if this is the first NSA document release since Vernona. She says there have been several small releases. She is also coordinating with NARA. I know that Ms. Cooper of NARA is on leave this week. She said she will get up to speed on the documents and the context of the document release and get back with us. She is also unsure if NSA plans a press release on the documents. She was doubtful that all the ducks can be aligned for a Monday release. I believe we will be issuing the press release next week, perhaps the following Monday.
