**Subject:** Re: Hitchcock Visit

**Body:** Tom,Hitchcock and I have spoken, and pending the Congressman's schedule, Wednesday afternoon works for us. We both thought that this would be an exciting thing for the kids-- to meet a Congressman and have something more important than just a small handshake to do. That cuts down on our time a little, but that is a lesser concern. If there is anything else I need to do to help in this effort, please let me know.
