Subject: Re: Public Hearing Q and A.

Looks like you've covered a lot!3 things:1) My notes say the film has been at the Archives since 1975 (which is when I assume the deposit agreement was made.) I could be wrong -- I don't recall 1978 coming up in our discussion. Any explanation would be appreciated.2) Another question a reporter might ask is "Will the Board make a final determination as to the status of the film at this hearing?"3) And finally, a reporter may ask if a representative of the Zapruder family will be present. The answer is no, but as David said yesterday, they are submitting a written statement for the record. We may want to check to see if we can make this available to the press.
