Subject: Document Number
Film producer Howard Moytel is looking for the number to a document we may have released. He believes it is a USSS/FBI document dated around 11/2/63 canceling a Presidential trip to Chicago. The document cites 90 degree turns, warehouses that could not be secured and a threat to President Kennedy, possibly by Cuban nationals, according to Mr. Moytel. A Mr. Baccus referred the document to Mr. Moytel. Please let me know if you know anything about it. Thank you, Thom
