Subject: pagers

Body: Pete,I called a bunch of places yesterday. In the phone book there are even a couple of companies geared toward expectant parents. They seem to be more expensive than getting one from one of the bigger well known companies. The best deal seems to be from Bell Atlantic/Nynex (your direct competition). I decided that I want to have it for at least a year, so one of us can be on call to the other for whatever reason. Bell Atlantic/Nynex's most basic service is one year for \$95.88, plus tax. What do you think?Kevin
