**Subject:** Re: Computer fonts  
I have changed it to the office font thanks for the tip.To:Chet Rhodes/ARRBcc:From:Michelle Combs/ARRB  
Date:03/31/97 09:16:17 AMSubject:Computer fontsI have found the computer which is producing the  
memos in the wrong font. Check the computer in the SCIF. If you don't change the font, it comes out New  
Times Roman. That is why Jeremy got a memo from me in the wrong font.
