Subject: Re: Status of Letter of Support from OAH

Kermit: Thank you for the quick response. To save people having to send their respective letters of support to several different places, we have asked that the letters be addressed to Jack, as Chair of the Board, at the ARRB offices. We will then make copies and use the letters as needed. We thought that would be the easiest way for our supporters. Thanks again for your help and for the fastest e-mail response that I've ever gotten!

 Tom, thanks. I have done nothing further on the OAH front, in part because we didn't know where to send it. I'd be happy to move the effort forward, but I need to know where the letter goes. Give me some help there and I'll see what I can do. Best, Kermit

 Kermit: We are continuing our efforts at gathering support from the professional historians community for the Board's extension. So far, we have received letters of support from the SAA and Athan Theoharis. Ernest May agreed to write one, although we have not seen it yet. As you will recall, both Theoharis and May were witnesses at the original congressional hearing on the JFK Act. In addition, Priscilla McMillan is also going to send a letter. I am checking with Anna on the AHA letter. Could you give me an update on the status of the OAH letter?

Body: Whatever information you can provide is appreciated. Thanks. Tom
