**Subject:** Re: FBI List

I called Tom Keith back and visited with him about the list. He gave me some more information to go on. I thanked him and told him I would follow up and try to find the list at the FBI.To: Laura Denk/ARRBcc: Thom Wilborn/ARRB Date: 04/07/97 01:11:13 PMSubject: FBI ListTom Keith (of Tulsa, OK (918) 627-7932) is interested in obtaining a list of "right-wing" individuals he believes James Hosty had in his possession in Dallas prior to the assassination. Mr. Keith said that Mr. Hosty referred to the list when talking with Dallas PD authorities, promising to give a copy of the list to the authorities. Mr. Keith is unsure whether this list of individuals is at the National Archives. I referred him to the National Archives to ascertain whether such a record now exists in the JFK Collection.
