Given that Joe doesn't have a printer, Michelle please prepare the thank you letters over David's or my signature.

I would appreciate if if Cathy/Michelle could assign a file number to the document -- I no longer have our file index and have no idea what file this document belongs in. The same is true of my 3/26 memo on the interview with Idar Rimestad (c:\OFFICE\WPWIN\032697.wpd). Michelle - should I just mail you the micro-tape of the interview (all 20 minutes or so I actually managed to tape), as well as the Joan Hallett interview, or should I hold them until/if I am next in D.C.? I don't believe either contain any classified material. Your call. Do interviewees generally get thank-you letters from us? If so, I can't print them out here, though I could draft them and e-mail them along, I guess. Let me know if you want me to do anything like that. Feel free to call with any questions.
