Subject:	Re: Hours worked
Body:	Got your hours, thanks. I'm doing some editing in your time clock to show you how to make the entries. If you don't make them on the exact day you do work, no problem. Just use "edit document" and change the dates and time, etc. Then instead of clicking "set time out now" just save your doc and and it will credit the hours based on time in and time out. If this isn't clear let me know and I'll try explain better!I checked with Kansas City on your reimbursement. The check was cut this week so it should be mailed out to you by Friday. I also confirmed that they had your correct address and everything looks in order.Good to hear from you. Hope all is well. Let me know if you need anything else.To:Tracycc: From:Joseph Freeman/ARRB Date:04/09/97 07:27:23 PMSubject:Hours workedIf you don't receive my entry in "Joe's Timeclock" for last week and this, let me know!By the way, do you anticipate my receiving my hotel reimbursement/per diem for my last trip by, say, April 25? I'm doing some financial planning relative to my credit card bills containing the hotel charges...Thanks! Hope all is well there!
