So far, we have received letters of support from the SAA and Athan Theoharis. Ernest May agreed to write one, although we have not seen it yet. As you will recall, both Theoharis and May were witnesses at the original congressional hearing on the JFK Act. In addition, Priscilla McMillan is also going to send a letter. I am checking with Anna on the AHA letter. Could you give me an update on the status of the OAH letter? Whatever information you can provide is appreciated. Thanks. Tom
