Sydney is your man. I passed your e-mail on to him and will follow up with him later today.

Subject: Ford Library consent releases
Jeremy told me you are the most likely candidate to be able to fill me in on the content of these releases. I am trying to finish my advisory for the March 13-14 1997 today. I know this is short notice and I apologize! (I did not know about these records until recently.) Any thoughts you can provide would be most helpful.
gracias.
