**Subject:** Re: Radio Interviews

It must have been a return receipt. I will be back with you when I can get the times from AP and WMAL. Warm regards, Thom

It may have just been a return receipt, but I think that the address that includes the word internet does not work in my system and any time I try to read messages sent using that address, it shuts down my entire system and I lose the message. So I would appreciate it if you would send the message again, unless it was just a return receipt. Thanks. Jack

 \_\_\_\_\_ Subject: Radio InterviewsAuthor: "Thom Wilborn"<Thom\_Wilborn@jfk-arrb.gov> at ~8DC-ARE-SMTPDate: 4/15/97 1:31 PMLonna Saunders of WMAL Radio called today requesting that you again participate in her radio talk show on April 24. Ms. Saunders requested that you come to their studio at 4400 Jennifer St. in Washington as late in the afternoon as possible to record a segment of the program. The subject of the program would be the Review Board's action on the Zapruder film. The interview with AP Radio is also scheduled on April 24. I have not, however, received a proposed time or place for the tape recorded interview. The subject will be the Review Board activities. The AP reporter usually leaves by noon or 1 p.m. each day, so I expect he will want to schedule the interview in the morning. AP is based at 1825 K. St., NW. I would anticipate the taping would require less than one hour; probably closer to 30 minutes. Please advise me on your availability on April 24 regarding the AP interview and the WMAL taping times. Respectfully, Thom Wilborn
