Subject: Request for Deed of Gift for Clay Shaw Papers  
Laura: I have been in touch with David Snyder, a former New Orleans Times Picayune reporter, who is in possession of copies of Clay Shaw's papers (a diary and some letters). Snyder has agreed to donate his copy set to the JFK Collection (the location of the original is unknown, according to Snyder). Please consider this a request for a draft Deed of Gift. There is no rush on this one. I will making arrangement with Snyder to ship the documents, perhaps as early as today. He will ship the documents to us and we can send him the draft Deed of Gift later. The only provision we need to add is that we will provide him with a copy set of the Shaw papers Snyder is donating to the Collection. Here is the relevant information:  
Name of Donor David Snyder  
3211 Upperline Street  
New Orleans, LA 70125  
Description of Donation A copy of the personal papers of Clay L. Shaw related to his prosecution and subsequent acquittal on a charge of conspiracy to assassinate President John F. Kennedy.  
Special Provision Required The Donor will retain a copy of the Donated Material. The JFK Assassination Records Review Board agrees to arrange for the copying of the Donated Material for the Donor's use.  
As always, thank you for your assistance. Please e-mail me or call me at (617) 482-1350, if you need additional information. My fax number is (617) 482-8034. When you have a draft Deed of Gift ready, I'll send it to Snyder.  
Tom
