**Subject:** Re: tape from Sebastian O'Kelly  
Thanks. Please emphasize to Dave Montague that he should not devote very much time at all to dubbing the tape; if the Archives can do it fine, if not that's okay too. We will have tried.

It has arrived. Dave Montague is at FINCEN today so I will talk to him tomorrow about the possibility of the Archives doing it. From there I'll see what we may have to do (possibly bring it to that place that has duplicated tapes for us in the past.) I'll keep you posted. Also -- the letter and attached draft DOG have gone out in the mail to D.
