Subject: Re: Veciana Update
Manuel: Tony Jr. has not called me back, as he promised yesterday. My next point with him is that his father will be served with a subpoena. I'll let you know how he reacts when I call him on Friday a.m. Interesting thought on the daughter. Maybe we can try and use the connection and spin it that way if we reach a dead end with Tony Jr. Two additional points: 1. Do you think there is anything the Fonz can do for us? Is it worth checking in with him and telling him where we are? 2. Please give me a call when you have a minute. I'd like to chat a bit about some things that Morely said about the DRE records, Salvat and Borja. Did Tony Jr. give you any indication as to what his father's reaction would be if we served him with a subpoena? Also, his daughter is a columnist/reporter with the Miami Herald. It is my understanding that she writes on Cuban-American issues. She might be willing to help us - maybe - if we offer her an angle on a story on the ARRB.
