Subject: Re: PTC documents
I concur; Tuesday morning sounds just right to me. That way we can move the ball forward by sending all of our PTC CIA referrals to HRG at once. Thanks.

This is just a reminder. I found thirteen of the fifteen missing CIA documents during my visit to the Center of Military History on Friday afternoon. I believe I can recover the remaining two documents. This should take no more than two hours. I will probably go to CMH Tuesday morning. Let me know if you are okay with this.
